

Dr. Nicole's Fee Schedule Change

Effective March 1, 2018

With adding a full-time Certified Massage Therapist, Dr. Nicole can continue her quest to step away from massage therapy and proceed towards her professional goals in Doctoring. In order to accomplish those goals, she has had to invest substantial amounts of time and finances. Dr. Nicole also maintains her professional growth with keeping up in her continuing education classes in order to best serve her patients.

Dr. Nicole has a true passion to help people and wishes to attain her professional goals by helping you achieve your personal ones! Thank you for your patience and understanding throughout our growth as a clinic. We hope you continue to enjoy our services as much as we enjoy you patients!
